WELCOME TO THE 2009 AMHA EUROPEAN CHAMPIONSHIP SHOW

Proud are we... Proud of having established the very first official AMHA Championship Show outside the USA. Europe is finally in the picture with regard to miniature horses!

We are very happy that the AMHA has granted the opportunity to stage the 2009 European Championship Show to ICAMH, an international club for American Miniature Horses which is based in The Netherlands.

As the club's showmanager, I would like to express my thanks to AMHA for making it possible for me to assist in two Championship Shows in the USA. Witnessing up close how things are done enhances the uniformity in the organization of such shows on both continents, which is a good thing.

The number of entries for this very first European Championship show has exceeded our expectations. I think everybody feels the urge to be part of this historical event. A panel of no less than three judges will be judging the horses, independently of each other. A new and exciting experience for the exhibitors in Europe.

The ICAMH would like to express their sincere gratitude to everybody who has contributed to this most important miniature horse show of the year in Europe. To our dedicated sponsors, the AMHA/uslge fund, Het Zwarte Water, the volunteers, judges, participants, spectators, and everybody else involved in making this event possible: thank you very much for your support!

We trust that this Championship Show will radiate the sociable atmosphere the ICAMH shows have become known for; an atmosphere of unity, sociability, honesty and fairness. Let us all together make it a great weekend for everybody to enjoy, and may the best horses win!

Roswitha Boensma
ICAMH president / showmanager

European and American Miniature Horses

Since 1988, we have been breeding miniature horses by crossbreeding European and American Bloodlines.

From 1997 onwards we have solely been using AMHA stallions.

All our European miniature horses possess a Passport and microchip from the Dutch Miniature Horse Studbook (NMPRS).

Our AMHA horses have in addition of a NMPRS passport and microchip, updated AMHA papers and are either DNA tested or Parentage Qualified.

Our Stallions:

Dent Painted Eagle
brown-pinto

Darmonds Southren Snow Storm
palomino

Both stallions available for 2009

For more enquiries about our horses www.asschattstables.com or contact Tineke Varkevisser on 0031 (0) 342 452539 or 0623918553.
