## MINIATURE EXTRAVAGANZA 2007

The board of the **International Club for American Miniature Horses** is very proud to welcome you at the international Miniature Horse show **Miniature Extravaganza 2007**.

The first day, 27th May, you will be able to enjoy an approved AMHA show. The next day, 28th May, we will have the first-ever approved AMHR show in Europe. Either as participant or as visitor, we warmly invite you to share in the fun and excitement at the Miniature Extravaganza!

We are very happy that so many exhibitors from all over Europe have decided to enter their horses and we hope you will have a pleasant weekend and a good show.

The Miniature Extravaganza 2007 is being held simultaneously with *Arabica*, an international three-day show for Arabian horses here at the famous Race Court in Frankfurt, Germany.

We trust that the **Miniature Extravaganza** will get to be known as a sportive event among friends who invite the world to join and enjoy their mutual passion: the American Miniature Horse!

The ICAMH wishes to express their sincere thanks to all the volunteers who spent unlimited hours of free time, and to the many sponsors of this international event for their much appreciated dedication and support. Without you, the organization of the Miniature Extravaganza 2007 would not have been possible - THANK YOU!
