## MINIATURE EXTRAVAGANZA 2008

The board of the **International Club for American Miniature Horses** is very proud to welcome you at the second edition of the international Miniature Horse show **Miniature Extravaganza**. With the 2007 edition being held in Frankfurt, Germany, the show has moved to The Netherlands for this year.

The first day, 11th May, you will be able to enjoy an approved AMHA show. The next day, 12th May, we will have an AMHR show. Both shows will be judged by a world show judge from the USA, Mr. Ray Randall. We are very happy that so many exhibitors from all over Europe have decided to enter their horses and we hope you will have a pleasant weekend and a good show.

The **Miniature Extravaganza 2008** is the first show at which the ICAMH point system for the AMHA European Amateur halter classes applies. More about this point system and its rules can be read at page 8 of this catalogue.

The **Miniature Extravaganza 2008** is being held simultaneously with the first show of the NMPRS (Dutch Miniature Horse Registration Studbook), so we can speak about a true miniature horse weekend! Both events will be sharing the accommodation, but organisationally separate from one another. The NMPRS has their own show with their rules and judge, while we have our shows in another ring and under the rules as stated in the AMHA/AMHR rulebooks.

A special "thank you" to the people from Manege "Het Zwarte Water" where this event is being held. We are pleased that they have made this location available to the ICAMH. We have been requested to treat the floor with special caution, and we extend this request to you. We also ask some help of you, to clean up your stalls located in the riding area. Thank you for your consideration!

The ICAMH wishes to express sincere thanks to all the volunteers who spent unlimited hours of free time, and to the many sponsors of this international event for their much appreciated dedication and support. Without you, the organization of the **Miniature Extravaganza 2008** would not have been possible - a big "thank you" to you all!

Either as participant or as visitor, we warmly invite you to share in the fun and excitement at the **Miniature Extravaganza 2008**. We trust that the **Miniature Extravaganza** will get to be known world wide as a sportive event among friends who invite the world to join and enjoy their mutual passion: the American Miniature Horse!

**POINT SYSTEM AMHA EUROPEAN AMATEUR HALTER CLASSES:**

At the AMHA shows that are being organized by CAMH (= ICAMH), there are two sorts of classes for entry.

The "A" classes are approved by AMHA. The AMHA itself keeps score of the points gained in the approved open AMHA classes. For this, see the showrules in the AMHA website. These classes are open to all participants. For participants in the "E" classes (the European Amateur classes) another point system has been developed, of which ICAMH keeps score.

The ICAMH would very much like everybody to have fun in showing, and that everybody has a fair chance to go home with a nice ribbon or cup. The point system is there to make sure that handlers cannot go on showing endlessly, along with showing in the "A" classes, in the "E" classes. With this, a healthy flow towards the "A" classes is being enhanced of those who do not qualify as "amateur" any more.

These are the rules:

1. Only in the AMHA European Amateur halter classes, points are awarded.
2. The handler is being awarded the points, not the horse.
3. The winner of a European Amateur halter class gets 2 points. The person in second place in such a class gets 1 point.
4. These points are only awarded as such with a minimum of 4 participating horses in the class. With 3 horses, only the first place counts for 1 point.
5. A total amount of 15 points means end of the European amateur status. This means that, as from the next show, you may not also participate in the European Amateur classes, but you are obliged to move on to the open classes. The horses in combination with whom the points were gained can still be shown in the European Amateur classes, but may not be handled in these classes by this ex-amateur.
6. Your European amateur status is also terminated with winning the title "grand champion" or "reserve grand champion" in an AMHA open class. This is only valid, however, with a minimum of 5 participating horses in this championship class.

**CLASSES AMHA:**

"A" classes:	"A" classes are all sanctioned with the AMHA association. All AMHA rules will be followed.
"E" classes:	<ol style="list-style-type: none"> <li>1. Horse must be European owned, who is a member of the ICAMH.</li> <li>2. Horse must be in Europe for two (2) months.</li> <li>3. Horse must be AMHA registered. AMHA rules will be followed.</li> <li>4. "E" classes are NOT sanctioned with AMHA association.</li> <li>5. ICAMH point system will be valid for these classes.</li> </ol>
Youth:	Youth is 18 and under by Jan 1, 2008.
Age heights:	<p>All Weanlings cannot exceed 30 inches.          All Yearlings cannot exceed 32 inches.          All Two-year-olds cannot exceed 33 inches.</p>

HOME OF SIX  
NATIONAL CHAMPIONS

T Bar T has over 130 horses to choose from with 40 foals due this year. Horses purchased here are quarantined here and then transported directly to the USDA holding facility at Intercontinental Airport in Houston where they are shipped directly to overseas buyers. This eliminates the costs to ship a horse to a quarantine facility and saves costs of the quarantine itself and your horse gets individual attention while in quarantine.

## POINT SYSTEM

### AMHA EUROPEAN AMATEUR HALTER CLASSES:

1. Only in the AMHA European Amateur halter classes, points are awarded.
2. The handler is being awarded the points, not the horse.
3. The winner of a European Amateur halter class gets 2 points. The person in second place in such a class gets 1 point.
4. These points are only awarded as such with a minimum of 4 participating horses in the class. With 3 horses, only the first place counts for 1 point.
5. A total amount of 15 points means end of the European amateur status. This means that, as from the next show, you may not also participate in the European Amateur classes, but you are obliged to move on to the open classes. The horses in combination with whom the points were gained can still be shown in the European Amateur classes, but may not be handled in these classes by this ex-amateur.
6. Your European amateur status is also terminated with winning the title "grand champion" or "reserve grand champion" in an AMHA open class. This is only valid, however, with a minimum of 5 participating horses in this championship class.

Score after Miniature Extravaganza 2008:
