MINIATURE EXTRAVAGANZA 2009

The International Club for American Miniature Horses is proud to be able to welcome you to the third edition of the international **Miniature Extravaganza** horse show!

On May 30th, the Saturday of the 2009 Whitsun weekend, the AMHR horses will be taking the show ring. That same day, also the non-approved European AMHA classes will be judged. The Saturday evening will be filled pleasantly with a sociable barbecue. On Whitsun Sunday, 31st May, the limelight is for the AMHA sanctioned classes. The weekend will be concluded on Whitsun Monday 1st June with a clinic conducted by the show judge in function: Mr Wayne G. Hipsley from the USA.

The Miniature Extravaganza seems to have made a name for itself in the miniature horse world. The number of entries keeps growing, as does the competition in strength. Still, the variety in classes provides a challenge also for the first-time competitor in the show ring. New this year are the approved Youth and Amateur classes, which have drawn much interest.

We are very pleased that the entry for the show again consists of horses from all over Europe, and even some who are in USA ownership. This proves the commitment of the American miniature horse owners, who don't shy away from long travels to take part in the rapidly expanding miniature horse community in Europe, and introduce their treasured horses to the public all over the continent.

The ICAMH shows provide an excellent stage for this, as has been recognized by AMHA in the USA who announced the **first ever** official **AMHA European Championship Show** to be hosted by the International Club for American Miniature Horses. The Miniature Extravaganza is one of the few qualifying shows for the 2009 AMHA European Championship Show, which will be held on the 6th September at this same venue: Manege Het Zwarte Water in De Mortel, the Netherlands. The **ICAMH Summershow** on the 11th and 12th of July 2009, also provides a wonderful opportunity to meet the AMHA qualifying requirements for the AMHA European Championship Show.

It would not have been possible to organize the Miniature Extravaganza show without your support. The ICAMH wishes to thank the owners for entering their horses, the handlers, the judge, the audience, all volunteers for their time and efforts dedicated to the show, and last but not least our treasured sponsors for their financial support. A heartfelt "thank you" to you all, it's very much appreciated indeed!

We hope you will enjoy a wonderful, sportive Miniature Extravaganza 2009 in a lovely atmosphere and look forward to welcoming you again at the ICAMH Summershow in July, and on 6th of September at the 2009 AMHA European Championship Show!

ICAMH POINTS SYSTEM - EUROPEAN AMATEUR HALTER CLASSES

rules dated 10th May 2008

At the AMHA shows that are being organized by ICAMH, there are several sorts of classes for entry.

The **“A” classes** are approved by AMHA. These classes are open to all participants. The AMHA itself keeps score of the points gained in the approved open AMHA classes. For this, see the showrules in the AMHA website.

Entry in the **“E” classes** (the European Amateur Halter classes) is restricted to those meeting the following conditions:

1. *Horse must be European owned, who is a member of the ICAMH.*
2. *Horse must be in Europe for at least two (2) months.*
3. *Horse must be AMHA registered. AMHA rules will be followed.*
4. *ICAMH points system is valid for these classes.*

For participants in the **“E” classes** a separate points system has been developed, of which ICAMH keeps score.

The ICAMH very much likes everybody to have fun in showing, and that everybody has a fair chance to go home with a nice ribbon or cup. The points system is there to make sure that handlers cannot go on showing endlessly, along with showing in the **“A” classes**, in the **“E” classes**. With this system, a healthy flow towards the **“A” classes** is being enhanced of those who do not qualify as European Amateur any more.

These are the ICAMH points system rules:

1. Only in the AMHA European Amateur Halter classes, points are awarded.
2. The handler is being awarded the points, not the horse.
3. The winner of a European Amateur Halter class gets 2 points. The person in second place in such a class gets 1 point.
4. These points are only awarded as such with a minimum of 4 participating horses in the class. With 3 horses, only the first place counts for 1 point.
5. A total amount of 15 points means end of the European Amateur status. This means that, as from the next show, you may not also participate in the European Amateur classes, but you are obliged to move on to the open classes. The horses in combination with whom the points were gained can still be shown in the European Amateur classes, but may not be handled in these classes by this ex-European Amateur.
6. The European Amateur status is also terminated with winning the title “grand champion” or “reserve champion” in an AMHA open class. This is only valid, however, with a minimum of 5 participating horses in this championship class.
