MINIATURE EXTRAVAGANZA 2010

ICAMH is proud to welcome you to the fourth edition of their international Whitsun show.

Last year's Miniature Extravaganza show saw 64 horses in sportive competition with one another. This year's show catalogue includes entries from exhibitors from 7 different countries, who amongst them have entered no less than 91 horses for the great variety of classes at the Miniature Extravaganza 2010.

Saturday 22nd May, you can participate in or enjoy viewing the first three of the four Miniature Extravaganza shows. The AMHR/tar Show as well as the ICAMH-Youth Show will be judged by Mrs Corky Fairchild from the USA. Mr Bill Fairchild, her husband, will judge the non-approved AMHA classes.

Whitsun Sunday 23rd May, the AMHA horses will be taking the ring for the approved classes in the AMHA Sanctioned Show.

Judges Corky and Bill Fairchild from the USA will be judging the classes on this day simultaneously, yet independent from one another. This means that each class will have two separate sets of results. So, in fact it's two shows in one!

To our dedicated sponsors, the volunteers, judges, participants, spectators, Het Zwarte Water and everybody else involved in making this international event possible: thank you very much for your support, it's highly appreciated!

Roswitha Boensma, *ICAMH President*

We would like to take this opportunity to invite you to our next two shows:

- the ICAMH Summershow on 3-4 July 2010 in Stavern, Germany,
- and the highlight of Europe's show season: the 2010 AMHA European Championship Show, which will be held on 11-12 September in the Netherlands. And we are delighted to say, at a very special location this time: Horse Event!

There is no other equestrian event in the Benelux to match Horse Event, which saw 30.000 visitors last year.

This year, Horse Event will be dominated by the World Equestrian Games (WEG) in Kentucky. This event in the American Capital city of horse sports will be highlighted in the program, catering and the furnishing.

Especially suitable surroundings therefore for promotion of the American Miniature Horse among an enormous potential of visitors who almost all have a direct relationship with horses. Don't miss the opportunity to use this ideal platform to enlarge your own branding and that of the breed!

The International Club for American Miniature Horses is proud to welcome you to the fourth edition of their international Whitsun show:

ICAMH POINTS SYSTEM - EUROPEAN-AMATEUR HALTER CLASSES

rules dated 10th May 2008

At the AMHA shows that are being organized by ICAMH, there are several sorts of classes for entry.

The **"A" classes** are approved by AMHA. These classes are open to all participants. The AMHA itself keeps score of the points gained in the approved open AMHA classes. For this, see the showrules in the AMHA website.

Entry in the **"E" classes** (the European-Amateur Halter classes) is restricted to those meeting the following conditions:

1. *Horse must be owned by a European, who is a member of the ICAMH.*
2. *Horse must be in Europe for at least two (2) months.*
3. *Horse must be AMHA registered. AMHA rules will be followed.*
4. *ICAMH points system is valid for these classes.*

For participants in the **"E" classes** a separate points system has been developed, of which ICAMH keeps score.

The ICAMH very much likes everybody to have fun in showing, and that everybody has a fair chance to go home with a nice ribbon or cup. The points system is there to make sure that handlers cannot go on showing endlessly, along with showing in the "A" classes, in the "E" classes. With this system, a healthy flow towards the "A" classes is being enhanced of those who do not qualify as European-Amateur any more.

These are the ICAMH points system rules:

1. Only in the AMHA European-Amateur Halter classes, points are awarded.
2. The handler is being awarded the points, not the horse.
3. The winner of a European-Amateur Halter class gets 2 points. The person in second place in such a class gets 1 point.
4. These points are only awarded as such with a minimum of 4 participating horses in the class. With 3 horses, only the first place counts for 1 point.
5. A total amount of 15 points means end of the European-Amateur status. This means that, as from the next show, you may not also participate in the European-Amateur classes, but you are obliged to move on to the open classes. The horses in combination with whom the points were gained can still be shown in the European-Amateur classes, but may not be handled in these classes by this ex-European-Amateur.
6. The European-Amateur status is also terminated with winning the title "grand champion" or "reserve champion" in an AMHA open class. This is only valid, however, with a minimum of 5 participating horses in this championship class.
